Corrected Response to Office Action (Restriction Requirement) dated January 29, 2010

Remarks

In response to the Requirement for Restriction and Election pursuant to the Office Action dated January 29, 2010, Group I is elected, which includes claims 1-3, 16, 18, 23, 32-33, and 38-46 drawn to a drive device, claims 25, 27, and 47-49 also drawn to a drive device as amended above, as well as claims 51 and 52. This election is without traverse. Applicant reserves its right to traverse an election requirement in any continuing application to be filed from the present application.

Claims 25, 27 and dependent claims 47-49 have been amended to depend from claims 1 and 2. Claims 44 and 45 have been amended to delete the objectionable language and claims 50-52 have been added since the restriction requirement. The claim amendments and additions resolve Examiner's requirement for restriction and no new matter is added. Given the amendments above, claims 25, 27, and 47-49, although withdrawn, are currently amended to be dependent on claims 1 and 2 and thus upon entry of the amendments are properly considered as part of elected Group I.
